- (b) if so, the details thereof and the action taken to complete the projects in a time bound manner?

Answer

MINISTER OF THE STATE IN THE MINISTRY OF ROAD TRANSPORT AND HIGHWAYS (SHRI R. P. N. SINGH)

(a) and (b). No proposal has been received from the Government of Andhra Pradesh for four/six laning of NHs in the current Financial Year 2009-10. However, four/six laning of NHs in the entire country including Andhra Pradesh is being implemented by National Highways Authority of India (NHAI) under National Highways Development Project (NHDP). Karimnagar to Hyderabad road is a State Highway and four/six laning of this road comes under purview of the Government of Andhra Pradesh.
