Answer

MINISTER OF THE STATE IN THE MINISTRY OF COMMERCE & INDUSTRY (SHRI JYOTIRADITYA M. SCINDIA)

(a): As per data available with Department of Industrial Policy and Promotion, the State-wise break-up of Investment intentions in terms of Industrial Entrepreneur Memorandum (IEMs) filed, Letters of Intent (LOIs)/Direct Industrial Licenses (DILs) issued during the last three years are at Annexure.

The scheme providing tax concessions to these districts became effective from 1994 and remained in force until 2004. To redress regional imbalances, Planning Commission in August 2006 constituted a Backward Region Grant Fund which covered 250 districts identified as backward district.

(d) & (e): The primary responsibility of industrial development is of the State Governments. The Central Government supplements and complements this effort through various schemes for the development of industries with some of them focusing on specific areas.

The following schemes are implemented by the Department of Industrial Policy & Promotion for the development of industries with some of them focusing on specific areas:

New Industrial Policy and Other concessions for Special Category States (for the states of Jammu & Kashmir, Himachal Pradesh and Uttarakhand)

Additionally, the Delhi Mumbai Industrial Corridor (DMIC), proposed to be developed on either side along the alignment of the 1483 km long Western Dedicated Rail Freight Corridor between Dadri (UP) and JNPT (Navi Mumbai), is a major initiative to accelerate industrial growth and improve investment opportunities.
