Answer

MINISTER OF THE STATE IN THE MINISTRY OF MINORITY AFFAIRS (SHRI VINCENT H. PALA)

- (a) Government has identified 90 minority concentration districts in the country, on the basis of substantial minority population and backwardness parameters. The State-wise list of minority concentration districts is annexed.
- (b) The minority population parameters used for identification of 90 minority concentration districts (MCDs) were as follow:-
- (i) Districts with a 'substantial minority population' of at least 25% of the total population were identified in 29 States/UTs;
- (ii) Districts having a large absolute minority population exceeding 5 lakh and the percentage of minority population exceeding 20% but less than 25% were identified in 29 States/UTs;
- (iii) In the six States/UTs, where a minority community is in majority, districts having 15% of minority population, other than that of the minority community in majority in that State/UT were identified.

The backwardness norms used for identification of minority concentration district were:-

- (I) religion-specific socio-economic indicators at the district level-
- (i) literacy rate; (ii) female literacy rate; (iii) work participation rate; and (iv) female work participation rate; and
- (II) basic amenities indicators at the district level-
- (i) percentage of households with pucca walls; (ii) percentage of household with safe drinking water; (iii) percentage of household with electricity; and (lv) percentage of households with water closet latrines.
- (c)&(d): Determination of Minority Concentration Districts has been considered by the Working Group and Steering Committee on empowerment of minorities for the formulation of 12th Five Year Plan and the report of Working Group is under consideration of Planning Commission.
