**Will the Minister of WATER RESOURCES be pleased to state:**

(a) whether Central Ground Water Board has conducted any survey to find out the groundwater level in the country; and

(b) if so, the details of the survey for the current assessment year?

**Answer**

MINISTER OF THE STATE IN THE MINISTRY OF WATER RESOURCES & MINORITY AFFAIRS (SHRI VINCENT H. PALA)

(a) Central Ground Water Board regularly monitors ground water levels on regional scale through a network of observation wells located throughout the country. Water levels are monitored four times in an year during the months of January, April/May, August and November.

(b) State wise details of depth to water level as observed during May, 2011 and November, 2011 are given in Annexure I and II respectively.
