Will the Minister of LABOUR AND EMPLOYMENT be pleased to state:

- (a) whether the Government has any proposal to introduce new Industrial Training Institutes (ITIs) in the country;
- (b) if so, the details thereof, State-wise/ Union Territory-wise;
- (c) the total number of ITIs established in the country during the last three years and the amount spent for this purpose;
- (d) whether the Government has closed any ITI due to the low rate of admission of students; and
- (e) if so, the details thereof, State-wise / Union Territory-wise?

Answer

MINISTER OF THE STATE IN THE MINISTRY OF LABOUR & EMPLOYMENT (SHRI MALLIKARJUN KHARGE)

(a & b) The ITIs are set up and run by the State Governments and Private entities. The role of Central Government is in policy making, setting up of standards & norms, trade testing and certification. However, in a Centrally Sponsored Scheme titled Skill Development in 34 districts Affected by Left Wing Extremism (LWE), there is provision to setup 34 ITIs and 68 Skill Development Centers (SDCs) in 34 districts covering 9 states with 75% support from Central Government. State -wise details are in Annex -1. Further, Government has decided to setup 1500 new ITIs & 5000 SDCs in Public Private Partnership mode in the unserved blocks of the country.

(c) During the last 3 years, 147 new Government ITIs and 2399 new Private ITIs have been established in the country. Government ITIs are funded by State Governments while Private ITIs are funded by Private entities. There was no expenditure on the part of the Central Government.

(d & e) No ITI has been closed due to low rate of admission of students. However, some units in some ITIs do get deaffiliated from National Council of Vocational Training for want of demand.
