THE MINISTER OF STATE IN THE MINISTRY OF ROAD TRANSPORT AND HIGHWAYS (DR. TUSHAR A. CHAUDHARY)

(a) & (b) Yes, Madam. Keeping in view the 6 laning requirement of NH-8C, Ministry has approved clover leaf interchange at Adalaj junction, flyovers at Iscon and Gota junctions and grade separated structures at Thaltej and Gurudwara junctions. Besides, six-laning for an aggregate length of 20 km has been completed. Development of National Highway is a continuous process and is taken up in a phased manner depending upon the inter-se-priority and availability of funds.
