Answer

THE MINISTER OF STATE IN THE MINISTRY OF ROAD TRANSPORT AND HIGHWAYS (SHRI JITIN PRASADA)

(a) & (b): Yes, Madam. There is delay in the construction/ widening of Bridge at Mahesara on National Highway(NH)-29 (E) due to unforeseen reasons such as collapse of bore holes while doing foundation work, encounter of old bridge founding structures resulting difficult in pilling for foundation; rainy seasons and slow progress by contractor. Notice has been issued to the contractor for delay.

(c): The work is likely to be completed by June, 2013.
