(c): The University has informed that it was a State University till 14.01.2009 and the State Govt. of Madhya Pradesh did not permit recruitments against vacant posts. After becoming a Central University, amendments to the Statutes had to be carried out before the University could make appointments. Necessary amendments to the Statutes have since been approved by the Visitor and the University has also advertised the posts.

(d) to (f): According to the UGC, the ideal teacher-student ratio is 1:12. As on 31.03.2012, the sanctioned teaching strength in Dr. H.S. Gour Vishwavidyalaya is 329 and the total number of students is 3797 which makes the teacher- student ratio 1:11.54. Therefore, there is no justification for increasing the number of posts.
