**Answer**

MINISTER OF DRINKING WATER AND SANITATION (SHRI JAIRAM RAMESH)

(a) State wise details of Individual Household Latrine (IHHL) reported to be constructed under TSC, now renamed as Nirmal Bharat Abhiyan (NBA), during each of the last three years and the current year, till July 2012, as per progress reported by the States is at Annexure.

(b) to (d) NBA is demand driven project based programme covering the total rural households in the project area. Project objectives are approved for all the households not having access to sanitation facilities, and there are no annual targets. The IHHLs reported to be constructed are accounted against these identified total project objectives. Data regarding slippages are not maintained under the programme. As per the provisions under NBA, the toilets are to be built and maintained by the beneficiaries.
