### GOVERNMENT OF INDIA MINISTRY OF MICRO, SMALL AND MEDIUM ENTERPRISES UDYOG BHAWAN, NEW DELHI-110011

Dated: 30th January, 2008 OFFICE

### MEMORANDUM

Subject: Assurance in supplementary Question raised by Shri Santosh Mohan Dev in Lok Sabha Starred Question No. 161 answered on 03-03-2003 (by the erstwhile Ministry of Agro and Rural Industries)

The undersigned is directed to refer to the Lok Sabha Secretariat (Committee on Government Assurances') Office Memorandum No. CD/12/10/2007-(CGA) dated 01 November 2007 informing that the Committee on Government Assurances in its meeting held on 12th October, 2007 decided *not to drop* the assurance in Lok Sabha Starred Question No. 161 answered on 03-03-2003 and also that the Committee desired to have the status of setting up of the industrial units under the Rural Employment Generation Programme (REGP)

2. With reference to the reply given to the part (d) of the question "it is targeted to set up about 30,000 new units under REGP during the current financial year", it is stated that 21024 units were set up as against the target of 30,074 which was around 70% of the target.

- 3. The following reasons have been offered by the KVIC for this shortfall:
  - (i) REGP launched in 1995-96 was in take offstage in the initial period in terms of both creation of employment opportunities and resource mobilization.
  - (ii) After reviewing the progress of REGP at various levels, including in a meeting with the Chief Executive Officers of State Khadi and Village Industries Boards (KVIBs) and Secretaries of Industries of State Governments during 1997, All India Industry Ministers, Conference held in New Delhi in 1997, the progress of the scheme was not considered satisfactory and therefore, it was decided to request the Reserve Bank of India (RBI) to take up the matter with public sector banks and issue necessary guidelines for providing adequate support to popularize the REGP.

- (iii) Under the new procedure, KVIC took initiatives to operationalize streamlined procedure through financing branches-of Scheduled,and commercial banks throughout the country and nodal branches at Mumbai. Also to avoid delay in timely settling of margin money claims at Mumbai, it was decided to decentralize their implementation of REGP at State level w.e.f. 01.04.2002 and about 346 nodal branch accounts were opened in the nationalized banks at all State Capitals. After the decentralization of implementation, it took some time to familiarize the field functionaries for adapting themselves to the procedural aspects.
- (iv) Under REGP, Government allocates targets for creation of new employment and margin money utilisation. The targets for number of projects are indicative only. The achievement in terms of employment generated was not unsatisfactory as 3.61 lakh estimated employment opportunities were generated against the target of 4 lakh employment opportunities.
- (v) From the year 2003-04 onwards, the scheme has picked up very well and it surpassed the employment targets during the last three years. The number of projects approved and employment generated under REGP vis-a-vis the target during the Tenth Five Year Plan beginning 2002-03 is given below:—

	Number of pro	ojects under REG	P Estimated E	mployment
Year	Targets	Achievemen	t Target	Achievement
			(lakh persons, 1	) (Number of persons)
2002-03	30074	21024	4,00	3,61,005
2003-04	25329	24747	5,00	4,71,458
2004-05	26248	23453	53	530,025
2005-06	26715	26650	5,50	5,67,676
20064)7	31760	260S7	5,90	5,95,451 .

4. In view of the above, Lok Sabha Secretariat is requested to suitably apprise the Committee on Government Assurances of the progress of REGP brought out above and again place the request of this Ministry before the Committee for dropping the assurances.

Under Secretary to the Government of India Tel. No. 23062573/Fax No. 23062886
