COMPUTERISATION OF EPF OFFICES
Pandey Shri Ravindra Kumar

Will the Minister of LABOUR AND EMPLOYMENT be pleased to state:

- (a) whether the computerization work of all Employees' Provident Fund (EPF) offices in Jharkhand along with the EPF offices in other parts of the country is still pending;
- (b) if so, the reasons therefor;
- (c) the justification for not computerizing the EPF office located in Ranchi even after a long lapse of its sanctions; and
- (d) the steps taken by the Government for the early computerization of all EPF offices in the country including the said EPF office in Ranchi?

Answer

MINISTER OF STATE FOR LABOUR AND EMPLOYMENT (SHRI KODIKUNNIL SURESH)

(a) to (d): The Modernization Project of the Employees' Provident Fund Organisation was taken up in 2008 in collaboration with the National Informatics Centre (NIC) and has been implemented in all the offices including Ranchi and other offices of Jharkhand. The basic services like claim settlement and annual accounts preparation is implemented in computer system.
