**Answer**

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI ADHIR RANJAN CHOWDHURY)

(a) & (b) Presently, Dadri is being served by 2 pairs of Express trains while Dankaur is being served by 1 pair of Express train, which are considered adequate for the present level of traffic offering at the stations. Stoppage of additional trains at these stations is not feasible at present.

Minimum essential passengers amenities such as booking facilities, drinking water supply, waiting hall, platform shelter, toilets, sitting arrangements etc., have already been provided at Dadri and Dankaur railway stations.

Besides, the following works related to passenger amenities have been sanctioned at Dadri Station:

- i) Provision of pre-fabricated superior type concrete benches on platforms and Galvalume sheets of platform shelter;
- ii) Provision of covered shed on foot-over-bridge; and
- iii) Improvement of lighting in the circulating area by providing one 16 metre High Mast Tower.
