Answer

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SMT. DEEPA DASMUNSHI)

(a)to(c): DDA has informed that it proposes to construct Urban

Extension Road-2 (UER-2). The Right of Way of UER-2 is 100/80 metres and the proposed alignment connects Wazirabad By pass to NH-2 via NH-1, Western Yamuna Canal, NH-10 & NH-8. The alignment is passing through areas in which few unauthorized colonies have sprung up at some places.

DDA has also informed that the survey for enumeration of affected families is undertaken by it. Efforts are being made to keep the number of displaced families to the minimum. The displaced persons are to be rehabilitated as per the policy of DDA and the Government of National Capital Territory of Delhi.
