MINISTER OF COMMERCE AND INDUSTRY(SHRI ANAND SHARMA)

a)to e): A Statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (e) OF LOK SABHA STARRED QUESTION NO. 135 FOR ANSWER ON 3RD DECEMBER 2012 REGARDING "EXPORT OF PHARMACEUTICAL PRODUCTS"

(a) and (b) - A Consultative Group under the chairmanship of Commerce, Industry and Textile Minister has been constituted on 23rd December 2010 for a regular institutional mechanism of consultation between Government of India and captains of Indian pharma industry with the objective of developing India's brand image as a source of affordable, safe and quality medicines. Besides, the Group is expected to advise the Government on way forward for increasing India's share in global pharmaceutical market, developing quality infrastructure for long term sustainability for exports, ways of strengthening innovations and promoting investments in pharma sector for exports.

(c) - A meeting of the Consultative Group was held on 3rd July, 2012 in New Delhi where after detailed discussions a number of suggestions were made for strengthening Indian pharmaceutical industry. This includes recommendations on a big push for promoting R&D and innovation, strengthening of infrastructure and helping the industry in overcoming trade barriers in various countries across the globe. Various issues which need to be taken have been flagged for remedial measures by Government.

(d) and (e) - With the objective of ensuring that only quality drugs are exported from India, Government of India has mandated trace and track features on export of pharmaceutical products from the country. This initiative by Government would help in countering the adverse campaign against quality of Indian drugs in the international markets. Besides Government has continued its efforts in the international agencies such as World Health Organization, World Trade Organization, World Intellectual Property Organization, etc. and in the bilateral and plurilateral fora to clear any doubts about the quality of Indian medicines.
