Answer

THE MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF POWER (SHRI JYOTIRADITYA M. SCINDIA)

(a) & (b): All Rehabilitation & Resettlement (R&R) issues pertaining to Project Affected Persons (PAPs) in respect of Hydro and Thermal Power Projects are proactively addressed during land acquisition and project construction stage itself. A Rehabilitation Action Plan (RAP) is formulated through extensive consultations process involving PAPs, Head of Panchayats of the affected villages, people representatives and the District Administration etc. The RAP, thus prepared on a consensual basis is then approved for implementation. The duration of RAP implementation varies from project to project and this normally is completed by the time project implementation is completed. However, despite the best efforts, if some R&R issues are left or they crop up after the completion of the project, they are properly addressed in due course of time.

The information regarding R&R issues pending in respect of various Central Public Sector Undertakings (CPSUs) under Ministry of Power and Bhakra Beas Management Board (BBMB) is as under:

- (i) NEEPCO: R&R of project affected families (PAFs) in respect of two under construction projects is being implemented through State Governments against fund provided by NEEPCO.
- (ii) BBMB: Of the 7206 PAFs from Bhakra Dam Project, 48 oustees are to be provided proprietary rights, which is being pursued by Deputy Commissioner (R&R), Hissar. Till date, 10585 oustees have been allotted land and 5767 cases are pending for allotment of land which is being done by Colonization Commissioner, Bikaner.
