MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI MULLAPPALLY RAMACHANDRAN)

(a) to (b): Both the Heavy Water Plants at Hazira and Vadodara (Baroda) are under security audit purview of Central Security Agencies. The security arrangements of both these installations are looked after by Departmental Security of Department of Atomic Energy and State Reserve Police. Central Security Agencies review security arrangements of these installations periodically and make recommendations accordingly. Besides Central Security Agencies also conduct security sensitization programmes for senior officials of Department of Atomic Energy installations.
