

**GOVERNMENT OF INDIA
RAILWAYS
LOK SABHA**

UNSTARRED QUESTION NO:4020
ANSWERED ON:21.03.2013
MULTI FUNCTIONAL COMPLEXES
Guddu Shri Premchandra;Patel Shri Deoraj Singh

Will the Minister of RAILWAYS be pleased to state:

- (a) the name of locations already developed, being developed and proposed to be developed as Multi-functional Complexes (MFC) in the country, separately, State/UT-wise;
- (b) the present status of work on the locations under development as MFC, location-wise, particularly Rewa and Ujjain in Madhya Pradesh;
- (c) the time frame set for the completion of ongoing/pending work of development of locations as MFC; and
- (d) the steps taken/being taken by the Railways to complete the said works within the stipulated time limit?

Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI ADHIR RANJAN CHOWDHURY)

(a) to (d): A Statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (d) OF UNSTARRED QUESTION NO. 4020 BY SHRI DEORAJ SINGH PATEL AND SHRI PREMCHAND (GUDDU) TO BE ANSWERED IN LOK SABHA ON 21.03.2013 REGARDING MULTI-FUNCTIONAL COMPLEXES.

(a) to (d) 196 stations are identified for development of Multi Functional Complexes (MFCs). Development of 120 MFCs has been assigned to Rail Land Development Authority (RLDA), 24 MFCs to IRCON International Limited, 20 MFCs to Rail India Technical and Economic Services (RITES) and 2 MFCs to Rail Vikas Nigam Limited (RVNL). 30 MFCs are under development by Zonal Railways. Progress of MFCs, State/UT wise including present status is Appended.

Progress of development of MFCs was affected in 2011-12 due to restrictions imposed on leasing of Government lands. Government has given relaxation on 30.07.2012 in commercial development of railway land through RLDA. Consequently, the executive agencies have initiated further action on development of MFCs.
