Answer

MINISTER OF STATE IN THE MINISTRY OF COAL (SHRI PRATIK PRAKASHBAPU PATIL)

(a) to (c): M/s Gujarat Mineral Development Corporation Limited had requested the Ministry for change of location of the power plants based on coal from Naini coal block as the parties selected for setting up the power plants intended setting up of power plants in Gujarat instead of Angul in Orissa and near Dumka in Jharkhand. The Government had sought the recommendations of the Ministry of power and the Government of Odisha. However, in the meanwhile the Inter Ministerial Group (IMG), which was constituted by the Government to review the progress of allocated coal blocks and linked/associated end use projects, after having reviewed the progress of Naini coal block has recommended de-allocation of the same along with forfeiture of 50% Bank Guarantee related to development of this block. The recommendation of IMG has been accepted by the Government and the block has since been de-allocated.
