Answer

THE MINISTER OF STATE IN THE MINISTRY OF ROAD TRANSPORT AND HIGHWAYS (SHRI SARVEY SATHYANARAYANA)

(a) to (c) The Management Board has been constituted to explore the possibilities for implementation of Pilot Project for vertical expansion of National Highway in terms of elevated roads with provision of commercial / real estate development within right of way (ROW) from Delhi / U.P. Border to Dasna in Uttar Pradesh on NH-24 and construction of grade separator at Hero Honda Chowk on Delhi – Gurgaon Section of NH-8 only. The model, depending upon successful implementation of pilot project, may be replicated for other crossings, including Kharki-Daula Chowk on NH-8. It is too early to indicate the time of its start of construction and completion.
