- (e) if so, the details thereof; and
- (f) the time by which it is likely to be revamped?

Answer

MINISTER OF STATE (INDEPENDENT CHARGE), MINISTRY OF STATISTICS & PROGRAMME IMPLEMENTATION AND MINISTRY OF CHEMICALS & FERTILIZERS (SHRI SRIKANT KUMAR JENA)

(a) to (c) The schemes and programmes under the Twenty Point Programme-2006 (TPP) are reviewed by the concerned Central Ministries and the State Governments.

The Ministry of Statistics & Programme Implementation also regularly reviews the TPP on the basis of physical progress reports furnished by the State Governments and the Central nodal Ministries as well as through review meetings and field visits.

The TPP consists of 20 Points and 65 Items and about 162 measurable Parameters. All 65 Items are monitored on annual basis. 20 Items consisting of 34 Parameters are monitored on monthly basis. The all-India achievements for these 20 Items for the period April 2012 to January 2013 in the financial year 2012-2013 are given at Annexure I.

State-wise performance is monitored on monthly basis for 19 Parameters, for which monthly targets are fixed. The State-wise position of these 19 monthly monitored targeted Parameters is given at Annexure II.

(d) There is no specific proposal under consideration at present for revamping of TPP.

(e) & (f) Questions do not arise.
