Answer

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI PRADEEP JAIN 'ADITYA')

(a)to(c): The Ministry of Rural Development receives from time to time requests from State Governments to enhance the central assistance provided by way of administrative expenses etc. under Mahatma Gandhi National Employment Guarantee Act(MGNREGA). This Central financial assistance is provided to States/UTs under Section 22 (1)(c) of MGNREGA apart from the amount required for payment of wages for unskilled manual work under the scheme and upto three-fourth of the material cost of the Scheme. The State Governments are advised to supplement Administrative expenses, if required, for effective implementation of MGNREGA. Enhancement of administrative expenses is considered taking into account the overall needs of the states and accordingly it was increased from 4% to 6% in 2009. During the previous three years, the average administrative expenditure incurred by the states was below 6% and is therefore, considered adequate for the present for meeting the expenditure for augmenting human resources and developing capacity for critical activities.
