STEEL  
LOK SABHA**

UNSTARRED QUESTION NO:1167  
ANSWERED ON:26.11.2009  
SETTING UP OF STEEL PLANTS  
Pandey Saroj

**Will the Minister of STEEL be pleased to state:**

- (a) the number of private and public sector steel plants proposed/approved for setting up in the Bastar district in Chhattisgarh; and  
(b) the time limit set for setting up the approved plants?

**Answer**

THE MINISTER OF STATE IN THE MINISTRY OF STEEL(SHRI A. SAI PRATHAP)

(a) As per the information available in the Ministry of Steel, the details of private and public sector steel plants proposed for setting up in the Bastar district in Chhattisgarh are as under.

Sl. No.	Name of the Proposed Company	Capacity in MTPA	Estimated Date of Investment signing	Present status & progress
---------	------------------------------	------------------	--------------------------------------	---------------------------

1.	M/s. Tata Steel Integrated Limited, Bastar Steel Plant	10000.00 (Approx)	04.6.2005	Production not Started
----	--	-------------------	-----------	------------------------

-5.00

2.	M/s. NMDC Integrated Limited, Steel Plant Nagarnar, Bastar	10000.00	03.09.2008	Production not Started
----	--	----------	------------	------------------------

3.00

(b) Time limit for Tata Steel Limited - first phase of the steel plant consisting of two million tones per annum capacity is likely to be set up within 48 months to 60 months from the date of receiving all statutory clearances and the second phase of the steel plant will be set up within 36 to 48 months from the date of completion of the first phase. For NMDC Limited - the steel plant is likely to be commissioned in 2014.
