MINISTER OF SCIENCE AND TECHNOLOGY AND MINISTER OF EARTH SCIENCES (S. JAIPAL REDDY)

(a) & (b): The Ministry of Science and Technology does not implement any Centrally Sponsored Schemes and also do not have any provision for making state-wise allocations. The Ministry in coordination with State Governments, including the State of Gujarat, implements some Central Schemes like Innovation in Science Pursuit for Inspired Research (INSPIRE) Award scheme, State Science and Technology Programme (SSTP) and Patent Facilitation Cell (PFC) Programme and seek proposals from them. Details on INSPIRE Award, SSTP and PFC programmes for the last three years 2010-11, 2011-12, 2012-13 are given below:

(i) Under INSPIRE Award scheme of Department of Science and Technology (DST), two students are selected from every middle & high school of the country having classes 6 to 10 during a Five Year Plan period for an INSPIRE Award of Rs.5000/- each for preparing a Science Project/Model. Merit based selection of students is done by the State Government machinery involving Headmaster/ Headmistress/Principal of the schools. Award amount is directly sent to the selected children in the form of an INSPIRE Award Warrant issued by Bank. The awardees participate in the District Level Exhibition and Project Competitions (DLEPCs) and best 5% to 10% entries from the District are selected for participation in the State Level Exhibitions and Project Competitions (SLEPCs). Best 5% entries from the State/UT, subject to a minimum of 5 are selected to participate in the National Level Exhibition and Project Competition (NLEPC). Implementation of the scheme is done by the State/UT Governments. All the 28 states and 7 UTs are participating in the scheme. Entire cost for conduct of competitions at various levels is borne by the Central Government. Money is released to State Nodal Officers in-charge of INSPIRE for organizing competitions at District and State Levels.

(ii) Under State Science and Technology Programme (SSTP) of DST annual core grant support is provided to State Science & Technology Councils in various states including the State of Gujarat. Core support is provided to State S&T Councils with the objective of facilitating these councils in planning, monitoring and implementing S&T activities in the States. This core grant assistance partially covers support for Scientific, Technical & Administrative manpower, travel, office expenses and modern office equipment etc.

(iii) Under Patent Facilitation Cell (PFC) programme of DST, 24 Patent Information Centres (PICs) are supported in various states including the State of Gujarat for creating awareness and extend assistance on protecting Intellectual Property Rights (IPR) including patent, copyright, geographical indication etc. at state level. These PICs are also creating Intellectual Property Cells in Universities (IPCU) of their respective states. As of now 71 IPCU's have been created in different universities of the states.

Year-wise and State-wise details of the grants provided under the above programmes during the last three years 2010-11, 2011-12, 2012-13 are given in the Annexure. The programme-wise, year-wise grants provided during this period to all the states including state of Gujarat are as under:
