(b) :Steps being taken by the Government for timely completion and commissioning of projects include, inter-alia, monitoring of the projects by Central Electricity Authority (CEA), review with the developers to resolve outstanding issues; independent follow up and monitoring of progress by the Power Project Monitoring Panel (PPMP) etc.

Work on the Subansiri Lower HE Project (8x250 MW) in Arunachal Pradesh/Assam, was stopped since December, 2011 due to the agitation launched by Anti-Dam activists. A Dam Design Review Panel (DDRP) was constituted by the Ministry in December, 2012 which has submitted its report in June, 2013. The report has been accepted and NHPC has been directed to take the project forward.
