Answer

MINISTER OF HUMAN RESOURCE DEVELOPMENT(SHRI KAPIL SIBAL)

(a) to (d): There is a gap between the sanctioned strength and the teachers in position in the Centrally funded Technical Institutions (CFTIs) like IITs, IIM. The details are given below: -

Sl.No	Centrally Funded Technical Institutions (CFTIs)	Faculty Sanctioned Strength	Faculty in position
1	Indian Institutes of Technology (IITs)	4267	2983
2	Indian Institutes of Management (IIMs)	468	388
3	National Institutes of technology (NITs)	3747	2603
4	Schools of Planning & Architecture (SPAs)	127	62
5	Indian School of Mines (ISM), Dhanbad	192	138
6	Indian Institutes of Science Education & Research (IISERs).	250	145
7	Indian Institute of Science	478	210

(IISc), Bangalore

8 National Institute of Training 67 46
& Industrial Engineering
(NITIE), Mumbai

9 National Institute of Foundry 42 32
& Forge Technology (NIFFT),

Recruitment of faculty is a continuous process and vacancies keep arising due to retirement, resignations, etc. Institutions plan suitable strategies to attract and retain quality faculty members. The recent pay revision of teachers of Centrally funded Technical institutions subsequent to the recommendations of the Sixth Pay Commission should go a long way in attracting and retaining teachers in these institutions.
