PPP IN AGRICULTURE SECTOR

Shivanagouda Shri Shivaramagouda;Thakor Shri Jagdish

Will the Minister of AGRICULTURE be pleased to state:

- (a) whether the Government proposes to promote Public Private Partnership (PPP) in agricultural projects in the country;
- (b) if so, the details thereof;
- (c) the names of the States identified to implement the proposed projects; and
- (d) the objectives set to achieve under the projects?

Answer

MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE AND FOOD PROCESSING INDUSTRIES (SHRI TARIQ ANWAR)

(a) to (d): Yes, Madam. Government facilitates Public Private Partnership (PPP) projects in agriculture and allied sectors throughout the country. Private entrepreneurs can design suitable agricultural development projects and submit proposals to State Governments for approval.

Small Farmers' Agri-Business Consortium (SFAC) has been designated as a national level agency for promoting projects under PPP. SFAC acts as a facilitator for linking the project promoter to the concerned State Government. The role of SFAC is, however, restricted to facilitate the process of technical appraisal and coordination. An independent monitoring agency (like National Bank for Agriculture and Rural Development (NABARD) or any other agency with no conflict of interest with that particular project) can be appointed by the State Government to track the performance of these projects and report to all relevant stakeholders in the State and Central Government.
