**Answer**

MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI AJAY MAKEN)

- (a) & (b): As per available information, no such proposal for creation of a new centre for nuclear and missile intelligence with representation from intelligence and other agencies, is under consideration.
- (c) & (d): No, Madam. There is no proposal to establish a new counter intelligence centre in the country. A Multi-Agency Centre (MAC) is already functioning in the Intelligence Bureau on a 24x7 basis, to share intelligence with all other agencies, including agencies of the State Governments and Union Territories. Representatives of the Member Agencies of the MAC meet regularly for analysis and assessment of threats.
