

**GOVERNMENT OF INDIA
HEAVY INDUSTRIES AND PUBLIC ENTERPRISES
LOK SABHA**

STARRED QUESTION NO:136

ANSWERED ON:02.12.2014

SETTING UP OF HEAVY INDUSTRIES

Ahlawat Smt. Santosh;Chinnaraj Shri Gopalakrishnan

Will the Minister of HEAVY INDUSTRIES AND PUBLIC ENTERPRISES be pleased to state:

- (a) the details of heavy industries/Public Sector Under- takings (PSUs) functioning in different parts of the country, State/UT-wise;
- (b) whether the Government proposes to set up heavy industries/PSUs under `Make in India` programme in the rural and backward areas of the country;
- (c) if so, the details thereof and if not, the reasons therefor;
- (d) whether the Government has received any proposal for setting up of such industries from various States during the last three years; and
- (e) if so, the details and present status thereof, State-wise?

Answer

MINISTER OF HEAVY INDUSTRIES AND PUBLIC ENTERPRISES (SHRI ANANT GEETE)

(a) to (e): A Statement is laid on the Table of the House.

Statement

Statement referred to in reply to Part (a) to (e) of Lok Sabha Starred Question No. 136 for answer on 2.12.2014 regarding SETTING UP OF HEAVY INDUSTRIES BY DR. C. GOPALAKRISHNAN; SMT. SANTOSH AHLAWAT

Since Industry is a State subject, hence no centralized data is maintained in this Department for heavy industries set up in various parts of the country. The details of Central Public Sector Enterprises (CPSEs) functioning in different parts of the country, including CPSEs under administrative control of this Department is placed at Annexure-A. A separate list of CPSEs under the administrative control of this Department has also been provided at Annexure-B.

There is no proposal in this Department for setting up of heavy industry /PSU in any area of the country under the "Make in India" programme. The CPSEs under the Department of Heavy Industry (DHI)set up their units based on commercial considerations. Further, States encourage the setting up of industries as per their priorities and investment climate and details of such nature are only expected to be available with them.
