- (b) whether the Government is taking necessary steps to create awareness among people on the said security features to enable them to easily distinguish fake from real notes;
- (c) if so, give the details of the efforts made in this regard; and
- (d) if not the reasons therefor?

Answer

MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI JAYANT SINHA)

(a) :Incorporating new security features/new designs in the banknotes to stay ahead of the counterfeiters is an ongoing process. This is undertaken by the Government of India in consultation with the Reserve Bank of India (RBI) and other concerned Ministries/ Departments/Organizations.

A High Level Committee under the chairmanship of Director General, Directorate of Currency., Ministry of Finance and having representatives from MHA, RBI and other concerned Departments/ Organisations has been constituted to examine the security features and/or associated technology for incorporation in future series of banknotes.

(b) to (d): The RBI website provides information to the public on security features of banknotes. The contents pertaining to awareness on Indian banknotes are available in www.paisaboltahai.rbi.org.in. Posters on `Know Your Banknotes7` are displayed at bank branches. Regional Offices of RBI participate in various awareness programmes where the members of public are made aware of the features of banknotes and ways to identify genuine banknotes. Posters, leaflets, etc. are also distributed in such awareness programmes.
