Answer

MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI KIREN RIJIJU)

- (a) to (c): As per information provided by National Crime Records Bureau (NCRB) data on crime committed against senior citizens are not maintained centrally. However, NCRB collects data on persons aged above 50 years who were victims of murder, culpable homicide not amounting to murder, rape and kidnapping & abduction. State-wise data is provided in Annexure.
- (d) to (f): As per the Seventh Schedule to the Constitution of India, "Police" and "Public Order" are State subjects and, as such the primary responsibility of prevention, detection, registration, investigation and prosecution of crime including crime against citizens lies with the States/UT Administrations. However, the Union Government attaches highest priority to matters of security of its citizens and through various schemes and advisories augments the efforts of States/UTs.

Ministry of Home Affairs has issued two detailed advisories dated 27.3.2008 and 30.08.2013, to all the State Governments/UTs advising them to take immediate measures to ensure safety and security and for elimination of all forms of neglect, abuse and violence against old persons through initiatives such as identification of senior citizens; sensitization of police personnel regarding safety, security of older persons; regular visit of the beat staff; setting up of toll free senior citizen helpline; setting up of senior citizen security cell; verification of domestic helps, drivers, etc. The above said advisories are available in the Ministry of Home Affairs website http://mha.nic.in/ national adv.
