Answer

Minister of State in the Ministry of CIVIL AVIATION (Dr Mahesh Sharma)

(a): The revenue earned by Government from the aviation sector in the form of Direct Tax from year 2010-11 to 2012-13 and Service Tax from Year 2011-12 to 2013-14 is at Annexure-I

(b) to (e): The Civil Aviation Sector in India has been growing steadily during the last 20 years, and had registered a growth of more than 16% during the period 2004-05 to 2011-12. From the information furnished at annexure, it may be seen that the revenue earned by Government is at par with the growth registered in the sector.
