Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI MANOJ SINHA)

(a): Surveys for ten New Line and two Doubling works have been completed during last three years and current year.

(b) and (c): Survey for this new line has already been taken up. The survey requires investigation of one or more routes, in consultation with State Government & forest department, trade and industries, etc. for deciding the most technically feasible alignment. Since this is an extensive exercise, no time frame has been fixed for completion of this survey.
