ANSWERED ON:09.03.2015  
INTERNAL DESIGNS IN RAILWAY COACHES  
Giri Shri Maheish

**Will the Minister of RAILWAYS be pleased to state:**

- (a) whether the Railways propose to take assistance of National Institute of Design (NID) for making internal designs in manufacturing of railway coaches;
- (b) if so, the details thereof and the cost of the said coaches along with the salient features; and
- (c) the time by which new designs would be implemented in all trains operating in the country?

**Answer**

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI MANOJ SINHA)

- (a): Yes, Madam.
- (b): Ergonomically designed seats and ladders used for climbing upper berths have been identified.
- (c): As designs have not been finalized yet, no timelines can be given. Improvement of coach interiors is a continuous process.
