Answer

MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF COAL, POWER AND NEW AND RENEWABLE ENERGY
(SHRI PIYUSH GOYAL)

- (a) to (c) Coal India and its subsidiary companies do not run any educational institution, it only provides financial assistance and grant-in-aid to the schools. The school management committees manage day to day functioning of schools, appointments and payment of salary to the teachers and staff.
- (d) The privately managed schools getting grant-in-aid are managed by School Management Committees. Initially, the representatives of subsidiary companies were included in school Management Committees, later company's representatives were withdrawn. The school Management Committees were never disbanded and are still functional.
- (e) to (f) The Government has not issued any order to revoke the terms and conditions imposed on colliery schools by the management of Coal India Limited in 2008.
