Answer

MINISTER OF STATE FOR TOURISM (INDEPENDENT CHARGE) (DR. MAHESH SHARMA)

(a): India's share in International Tourist Arrivals (ITAs) in the World during 2013 was 0.64%.

(b): Yes, Madam. The Working Group on Tourism for 12th Five Year Plan, set up by the Planning Commission, has recommended increasing India's share of International Tourist Arrivals to at least 1% by end of 12th Five Year Plan-requiring an annual growth of about 12%.

(c): Measures taken to increase India's share in the tourism market are as follows:

i. Electronic Travel Authorization:

The Tourist Visa on Arrival (TVoA) enabled with the Electronic Travel Authorization (ETA) Scheme was launched on 27.11.2014 for nationals of 43 countries whose sole objective of visiting India is recreation, sight-seeing, short duration medical treatment, casual business visit, casual visit to meet friends or relatives etc. for a short stay of 30 days. Earlier the TVoA facility was available for nationals of 12 countries only. The TVoA enabled with ETA will enable the prospective visitor to apply for an Indian Visa from his/her home country online without visiting the Indian Mission and also pay the visa fee online. Once approved, the applicant will receive an email authorising him/her to travel to India and he/she can travel with a print out of this authorization. On arrival, the visitor has to present the authorisation to the immigration authorities who would then stamp the entry into the country. The entry into India will be allowed within 30 days from the date of approval of ETA and will be valid for 30 days stay in India from the date of arrival in India.

ii. Restriction on gap for re-entry lifted:

The restriction of two-month gap on re-entry of foreign nationals coming to India on Tourist Visa and Tourist Visa on Arrival has been lifted with effect from 4th December, 2012.
