Answer

MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP
(SHRI RAJIV PRATAP RUDY)

(a) to (e): As per a study conducted by National Skill Development Corporation (NSDC), the employment in high growth sectors, including manufacturing sector is projected to increase to 350.62 million by 2022. The details of incremental requirement of skilled manpower in high growth sectors, including manufacturing sector by the year 2022 is given at Annexure – I. The effort of the Government is to align the skilling efforts with the projected skill gap in various sectors as given at Annexure-I. NSDC is committed to create skill training capacity in sectors where significant skill gap is projected as against the existing capacity.
