Answer

MINISTER OF LAW AND JUSTICE (SHRI D. V. SADANANDA GOWDA)

(a) to (e) : Development of infrastructure facilities for Judiciary is the primary responsibility of the State Governments. However, in order to augment the resources of the State Governments, a Centrally Sponsored Scheme (CSS) for Development of Infrastructure Facilities for Judiciary is being implemented under which central assistance is provided to the State Governments for the construction of court buildings for district and subordinate courts and residential units for judicial officers. On receipt of the complete proposals from the State Governments including utilisation certificates for the funds released earlier, necessary financial assistance is sanctioned to the State Governments in terms of the guidelines of the scheme.

The Scheme is available for all the States and Union Territories. The details of funds released to the State Governments and Union Territories, during the last three years and the current financial year have been indicated in the Statement annexed.

The State Government of Chhattisgarh had been released an amount of Rs. 20.97 crore in 2011-12. The proposal for release of further financial assistance was received from the State Government in 2013-14, without furnishing the utilisation certificate for the entire amount sanctioned in 2011-12. The State Government, later, furnished a report on the physical and financial progress of projects under the Scheme in June, 2014, based on which an amount of Rs.21.76 crore was released to the State Government of Chhattisgarh in July, 2014.
