- (b) if so, the details thereof along with the present status of the project; and
- (c) the time by which it is likely to be completed?

**Answer**

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI MANOJ SINHA)

(a) to (c): Survey for doubling of Ruthiyai-Maksi section has been taken up as a part of Gwalior-Maksi doubling.

Survey requires interaction with various departments of State Government, District Administration, Trade & Industries etc. for assessment of traffic projection. Since this is an extensive exercise, hence, no time frame has been fixed for completion of the survey.

Survey-cum-feasibility study for electrification of Maksi-Ruthiyai section was conducted and proposal was not found feasible on account of operational and financial considerations.
