Gaikwad Prof. Ravindra Vishwanath

Will the Minister of RAILWAYS be pleased to state:

- (a) whether the work on the Solapur-Tuljapur railway line project has been started; and
- (b) if so, the expected time for its completion and the funds likely to be incurred thereon?

Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI MANOJ SINHA)

(a) & (b): The work on Solapur-Tuljapur railway line project has not been sanctioned due to its unremunerative nature and huge throwforward of ongoing projects.

However, to reassess viability of this project, an updating survey was announced in Budget 2014-15 and has been taken up.
