

**GOVERNMENT OF INDIA
DRINKING WATER AND SANITATION
LOK SABHA**

UNSTARRED QUESTION NO:6152
ANSWERED ON:30.04.2015
SAFE DRINKING WATER IN SCHOOLS AND ANGANWADI CENTRES
Dubey Shri Nishikant

Will the Minister of DRINKING WATER AND SANITATION be pleased to state:

- (a) whether a number of schools and Anganwadi Centres in the country are lacking proper toilet/sanitation facilities;
- (b) if so, the details thereof, State/UTwise, along with the reasons therefor;
- (c) the steps taken by the Government to construct toilets in the remaining schools and Anganwadi Centres in the country including Jharkhand; and
- (d) the amount allocated and utilized for the purpose during each of the last three years and the current year State/UT-wise?

Answer

MINISTER OF STATE IN THE MINISTRY OF DRINKING WATER & SANITATION (SHRI RAM KRIPAL YADAV)

(a) Yes.

(b) As per District Information System for Education (DISE) Report 2013-14 (as on 30th September, 2013), there is a gap of 4.19 lakh toilets (@ at-least one toilet for boys and 1 toilet for girls) in 2.45 lakh government schools. State/UT wise number of Schools without Boys and Girls toilets as per District Information System for Education (DISE) Report 2013-14 is at Annexure-1. There are 13.42 lakh operational Anganwadi Centres, of which toilet facilities are available in about 6.29 lakh anganwadis. State/UT- wise Anganwadi without toilets as on 31.12.2014 as reported by Ministry of Women and Child Development is at Annexure-2.

(c) After launch of Swachh Bharat Mission (Gramin) on 2nd October, 2014, school and Anganwadi toilets are to be provided by Ministry of Human Resource Development HRD and Ministry of Women and Child Development respectively. Ministry of Human Resource Development has made provision for construction of 4.19 lakh toilets through SSA and RMSA (2.42 lakh), Central PSUs (1.69 lakh), private corporate (4,562), and Swachh Bharat Kosh (5,245). Of these, around 73,201 have been completed and 1.12 lakh are under construction.

(d) School toilets were constructed under the erstwhile Total Sanitation Campaign (TSC)/ Nirmal Bharat Abhiyan (NBA) only for schools set-up prior to launch of Sarva Shiksha Abhiyan in 2007. After the launch of Swachh Bharat Mission (Gramin), the responsibility for construction of School and Anganwadi toilets have been vested with Ministry of Human Resource Development & Ministry of Women and Child Development. Under TSC/NBA, no component-wise allocation has been made. However, the Central share of expenditure on school and anganwadi toilets during each of the last three years under TSC/NBA, State/UT-wise is at Annexure-3.
