UNSTARRED QUESTION NO:1570

ANSWERED ON:21.07.2014

SETTING UP NEW ELECTRONIC HUBS

Chavan Shri Harishchandra Deoram;Patil Shri Bheemrao Baswanthrao

Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

-

(a) whether the Government has any proposal to encourage chip manufacturing units in order to setup new electronic hubs in the country;

(b) if so, the details thereof, State-wise including Hyderabad in Telangana; and

(c) the funds allocated during the 12th Five Year Plan period in this regard?

Answer

MINISTER FOR COMMUNICATIONS AND INFORMATION TECHNOLOGY (SHRI RAVI SHANKAR PRASAD)

(a) and (b): The Government has approved a package of incentives for setting of two Semiconductor Fabrication units for chip manufacturing in the country. The proposed locations are Greater Noida in Uttar Pradesh and Prantij in Gujarat. It is expected that these units when set up would lead to development of electronics system design and manufacturing ecosystem around these locations. In addition, Department of Electronics and Information Technology provides financial assistance for setting up world class infrastructure under its Electronics Manufacturing Clusters (EMC) scheme. So far, in-principle approval has been accorded for setting up of 8 Greenfield EMCs. The details of are as follows:

S. No	State	Chief Promoter	Location of Cluster	Area of EMC (Acres)
1.	Telangana	Andhra Pradesh Industrial Infrastructure Corporation Ltd.	e-city Hyderabad	602.36
2.	AP)	Andhra Pradesh Industrial Infrastructure Corporation Ltd.	Maheshwaram,	310.15
3.	Kerala	Kerala Industrial Infrastructure Development Corporation (KINFRA)	Khakhanad,	75.0
4.	Madhya Pradesh	Madhya Pradesh State Electronics Development Corporation (MPSEDC)	Badwai, Bhopal	50
5.		Jabalpur		40
6.	Rajasthan	ELCINA, Electronics Manufacturing Cluster Pvt. Ltd (EEMCPL)	Khushkera, Bhiwadi	100.70
7.	Tamil Nadu	GMR Infrastructure Ltd	Krishnagiri ,Hosur	527.1
8.	Odisha	Odisha Industrial Infrastructure Development Corporation Ltd.(IDCO)	Bhubaneswar Industrial Area,Khurda	213.26

The final approval would be granted based on completion of necessary formalities by the applicants under these schemes.

(c): Separate funds have not been provided for the aforesaid projects. Total allocation for promotion of Electronics System Design and Manufacturing in the country including the aforesaid schemes during the 12th Five Year Plan period is Rs. 9,509 crore.
