- (b) if so, the details thereof;
- (c) the quantum of increase in its turnover during the last one decade; and
- (d) the break-up of percentage share of branded and generic drugs in the total value of annual turnover of these drugs during 2013-14 separately?

Answer

MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI HANSRAJ GANGARAM AHIR)

- (a)to(c): Yes Madam. The Indian Pharmaceutical Industry has witnessed a robust growth from the production turnover of about Rs. 5000 crores in 1990 to about Rs. 128044.291 crores during the year 2013-14.
- (d): The information on share of branded and generic drugs in the total value of annual turnover is not maintained in the Department of Pharmaceuticals.
