- (b) if so, the time by which the construction of the said highway is likely to be started along with the cost estimated; and
- (c) the time by which the construction work of the NH is likely to be completed?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF ROAD TRANSPORT AND HIGHWAYS (SHRI PON. RADHAKRISHNAN)

(a) to (c) Jawaharlal Nehru Port Trust, Panvel is connected to Butibori-Nagpur via National Highway-4 (Panvel-Pune), National Highway-9 (Pune-Sholapur), National Highway-361 (Sholapur-Butibori-Nagpur). 6/8 lanning of JNPT Port Conne- ctivity project is proposed to be implemented under EPC mode for which tender process has been initiated. The estimated cost is Rs.2955 cr. With regard to Pune-Solapur section of NH-9, Package-I from Km 40,000 to km 144.400 has been comp- leted and package-II from km 144.400 to km 249.000 is under implementation at a project cost of Rs.835 cr. Physical pro- gress of 90% has been achieved. Sholapur-Butibori-Nagpur section of NH-361 is under DPR Stage. It is too early to indicate the project cost.
