Answer

MINISTER OF HUMAN RESOURCE DEVELOPMENT (SMT. SMR1TI ZUBIN IRANI)

(a) to (c) : The Ministry of Home Affairs has developed a Foreign Student Information System `(FSIS) module under the IVFRT (Immigration, Visa, Foreigner Registration & Tracking) system. While giving extension and other visa related services to Foreign Students, the Foreigners Regional Registration Offices (FRROs)/ Foreigners Registration Officers (FROs) would check whether such a foreign student is really pursuing the registered course of study and is following the guidelines of the visa. The educational institutions that provide admission to foreign students have initiated submitting `on-line` details of such students on the FSIS.
