(a) & (b) Pre-Feasibility Report (PFR) of Upper Vaitarna - Godavari Valley intra-State link of Government of Maharashtra has been completed by National Water Development Agency (NWDA). Further, on request of Government of Maharashtra dated 20 April, 2015, the study for the extension of the said link namely Upper Vaitarna Kadava-Dev River link has been taken up by NWDA.

The time limit for the completion for the said link can be identified only after pre-feasibility of the proposal is established and thereafter Detailed Project Report (DPR) is techno-economically approved.
