-2-

L.S.U.S.Q.NO. 85 FOR 21.07.2015

(b) Cyber forensics training lab has been set up at Training Academy of Central Bureau of Investigation (CBI) to impart basic and advanced training in Cyber Forensics and Investigation of Cyber Crimes to Police Officers associated with CBI. In addition, cyber forensic training and investigation labs have been set up in the States of Kerala, Assam, Mizoram, Nagaland, Arunachal Pradesh, Tripura, Meghalaya, Manipur and Jammu & Kashmir for training of Law Enforcement and Judiciary in these States. Indian Computer Emergency Response Team (CERT-In) and Centre for Development of Advanced Computing (CDAC) are providing basic and advanced training to Law Enforcement Agencies, Forensic labs and judiciary on the procedures and methodology of collecting, analysing and presenting digital evidence. In collaboration with Data Security Council of India (DSCI), NASSCOM, Cyber Forensic Labs have been set up at Mumbai, Bengaluru, Pune and Kolkata for awareness creation and training programmes on Cyber Crime investigation. National Law School, Bangalore and NALSAR University of Law, Hyderabad are also engaged in conducting several awareness and training programmes on Cyber Laws and Cyber crimes for judicial officers. The Department of Information Technology has also formulated a set of investigation manuals with procedures for Search, Seizure Analysis and Presentation of digital evidence in courts.

(c) to (d): No such proposal is under consideration.
