Profit and Functioning of CIL
P. Shri Nagarajan

Will the Minister of COAL be pleased to state:

- (a) whether the profit and functioning of the Coal India Limited (CIL) has been improved and jumped from eighth to sixth place among the 40 largest mining companies in the world;
- (b) if so, the details thereof; and
- (c) the profit to CIL reported for the year 2014-15 and estimated for the year 2015-16?

Answer

MINISTER OF STATE (IC) IN THE MINISTRY OF COAL, POWER AND NEW & RENEWABLE ENERGY
(SHRI PIYUSH GOYAL)

(a) to (b): Coal India Limited has informed that the profit before tax (PBT) earned by CIL and corresponding level of coal production during the last five years are as follows:

Year	PBT (Rs. Crore)	Coal Production (MT)
2014-15	21,583.92	494.24
2013-14	22,879.54	462.42
2012-13	24,979.04	452.21
2011-12	21,272.66	435.84
2010-11	16,463.24	431.32

However, the data regarding world rankings is not maintained.

(c) The profit (PBT) of Coal India Limited (CIL) reported for the year 2014-15 and estimation based on MOU signed with MoC for the year 2015-16 at "Very Good" scenario are given below:

Year	PBT (Rs. Crore)
2014-15 (Reported)	21,583.92
2015-16 (As per MOU)	14,766.46
