

**GOVERNMENT OF INDIA
DEFENCE
LOK SABHA**

UNSTARRED QUESTION NO:817
ANSWERED ON:24.07.2015
Integrated Air Command and Control System
Parthipan Shri R.

Will the Minister of DEFENCE be pleased to state:

- (a) whether the Government has taken steps to upgrade the entire Integrated Air Command and Control System (IACCS) infrastructure including advanced early warning and jam-resistant radars;
- (b) if so, the details thereof; and
- (c) the other steps being taken to build a fully automated surveillance network to make the country's airspace safe?

Answer

MINISTER OF DEFENCE (SHRI MANOHAR PARRIKAR)

(a) to (c): The Integrated Air Command and Control System (IACCS) is being implemented in phases. While 5 nodes are already operational, the proposal to extend IACCS across all operational commands including Andaman Nicobar Command (ANC) is under progress.
