

**GOVERNMENT OF INDIA
ENVIRONMENT, FORESTS AND CLIMATE CHANGE
LOK SABHA**

UNSTARRED QUESTION NO:1275

ANSWERED ON:28.07.2015

Clearance for Dams

Sonkar Shri Vinod Kumar

Will the Minister of ENVIRONMENT, FORESTS AND CLIMATE CHANGE be pleased to state:

- (a) whether proposals have been received for grant of environmental clearance to construct dams in different States/Union Territories including Uttar Pradesh to stop the damage caused by the flood in various rivers every year; and
(b) if so, the details and status thereof, State-wise?

Answer

MINISTER OF STATE (INDEPENDENT CHARGE) FOR ENVIRONMENT, FOREST AND CLIMATE CHANGE

(SHRI PRAKASH JAVADEKAR)

(a) & (b) The Ministry has received sixteen (16) proposals for construction of multipurpose, irrigations and flood control dams in the country during the last 3 years. Environmental clearance has been accorded to 12 projects. A list of these 12 projects is annexed. However, consideration of four projects necessitate further detailed information from project proponents, and the same have not been submitted by them. Hence, these projects have been delisted from the consideration list and no proposal is pending.

Badaun Lift Canal Project in Badaun District in Uttar Pradesh has been granted scoping clearance for conducting environment impact assessment (EIA) study and request for environmental clearance has not been received.
