- (d) the details of various mechanisms through which UGC monitors the quality of the research sponsored by it?

Answer

MINISTER OF HUMAN RESOURCE DEVELOPMENT (SMT. SMRITI ZUBIN IRANI)

(a): The University Grants Commission (UGC) has implemented the scheme of 'Financial Assistance to Major Research Projects(MRPs)' by supporting research programmes of University and College Teachers, in various disciplines, for promoting excellence in research. The number of Major Research Projects approved by the UGC during the last five years are as under:

Year Number of Major Research Projects approved

2010-11 1821

2011-12 512

2012-13 2301

2013-14 1636

2014-15 994

- (b) & (c): The UGC has informed that out of 994 projects in 2014, it has released funds for 59 projects. Funds are being released for remaining projects.
- (d): The UGC has informed that it has taken the following measures for monitoring the quality of the research projects awarded by it:
- i. Assessment of the proposal by the concerned Institution before submitting the proposal to the UGC
- ii. Interface meeting between Subject Experts & Principal Investigator (PI)
- iii. Mid Term Progress Review Meeting between Subject Experts & PI
- iv. Final assessment/evaluation of the project by two expert members not belonging to their Institution.
